

AUSTRALIAN FELLOWSHIP OF EVANGELICAL STUDENTS

The heart of **AFES** is to see University students share their faith with other students. Here is how you can pray for Heather and the work she does on campus with AFES.

- For the student committee, staffworkers, Heather and Jesse Walz, for energy and a commitment to personal godliness and growth as they lead our group this year.
- That first year students will find us and be able to connect.
- Praise God for Jesus - that trusting him gives life and is the best news for a generation seeking meaning and hope. Pray this joy characterises our group more than anything else this year.
